

**EYE SPY YOUTH CHANGING THE WORLD!
...FINAL RESULTS!**

Our 3rd EYE SPY event was again a success! With a more focused topic this year, we had over 1700 entries letting us know how youth in our community are making a difference. From helping each other in class, to being a good friend, to cleaning up the neighbourhood, to raising money to build a school in a third world country, to hosting a breakfast for the homeless, to raising money to help a fellow student who is ill, were all ways people saw our youth changing the world!

The schools with the highest percentage of participation and winners of the unique EYE SPY trophy are:

High School

Saint John High School

Middle School

Ecole Millidgeville North School

Elementary K-5

St. Rose School

Elementary K-8

St. Martins School

Student winners from each participating school will be selected and receiving a prize package within the next few weeks.

Congrats to everyone and thank you to all who shared with us all the wonderful ways our youth are changing the world and making a difference!
